## Sunday of the Faithful Departed 8 February 2026

---

*Remember, O Lord, your faithful departed, who have fallen asleep in hope of the resurrection.*

## **SUNDAY READINGS**

### **EPISTLE - 1 Thessalonians 5:1-11**

Concerning times and seasons, brothers, you have no need for anything to be written to you. For you yourselves know very well that the day of the Lord will come like a thief at night. When people are saying, "Peace and security," then sudden disaster comes upon them, like labor pains upon a pregnant woman, and they will not escape.

But you, brothers, are not in darkness, for that day to overtake you like a thief. For all of you are children of the light and children of the day. We are not of the night or of darkness. Therefore, let us not sleep as the rest do, but let us stay alert and sober. Those who sleep go to sleep at night, and those who are drunk get drunk at night. But since we are of the day, let us be sober, putting on the breastplate of faith and love and the helmet that is hope for salvation. For God did not destine us for wrath, but to gain salvation through our Lord Jesus Christ, who died for us, so that whether we are awake or asleep we may live together with him. Therefore, encourage one another and build one another up, as indeed you do.

### **GOSPEL - Luke 16:19-31**

There was a rich man who dressed in purple garments and fine linen and dined sumptuously each day. And lying at his door was a poor man named Lazarus, covered with sores, who would gladly have eaten his fill of the scraps that fell from the rich man's table. Dogs even used to come and lick his sores.

When the poor man died, he was carried away by angels to the bosom of Abraham. The rich man also died and was buried, and from the netherworld, where he was in torment, he raised his eyes and saw Abraham far off and Lazarus at his side. And he cried out, "Father Abraham, have pity on me. Send Lazarus to dip the tip of his finger in water and cool my tongue, for I am suffering torment in these flames."

Abraham replied, "My child, remember that you received what was good during your lifetime while Lazarus likewise received what was bad; but now he is comforted here, whereas you are tormented. Moreover, between us and you a great chasm is established to prevent anyone from crossing who might wish to go from our side to yours or from your side to ours."

He said, "Then I beg you, father, send him to my father's house, for I have five brothers, so that he may warn them, lest they too come to this place of torment." But Abraham replied, "They have Moses and the prophets. Let them listen to them." He said, "Oh no, father Abraham, but if someone from the dead goes to them, they will repent." Then Abraham said, "If they will not listen to Moses and the prophets, neither will they be persuaded if someone should rise from the dead."

**The Facilities Committee** would like to inform the parish that a new storage building project has been officially approved by both the Finance Council and the Bishop. As part of this effort, the existing book building located behind the pool will be demolished. In its place, a new, larger structure will be constructed to better accommodate the storage needs of the parish. This new facility will provide expanded space for Food Festival equipment, supplies, and related materials, while also continuing to serve as the storage location for the Eparchy's book inventory. Construction is scheduled to be completed prior to the Food Festival in May. As a result, parishioners can expect increased activity and construction work in that area over the coming weeks. For everyone's safety, we kindly ask all parish members and visitors to remain aware of their surroundings and keep a safe distance from the construction zone. There will be various hazards present throughout the project, and we want to ensure that no one is put at risk of injury. Thank you for your cooperation and support as we move forward with this important improvement to our parish facilities.

## Proposal – Pilgrimage to Biblical Turkey with Chorbishop John D. Faris October 14-25, 2026

### Sample Day by Day Itinerary:

#### Day 1 | Wednesday, October 14: Depart USA

Make your way to your local airport, where you will board your overnight flight. Meals will be served on board. Be sure to take some time to meditate about the life-changing journey upon which you are embarking.

#### Day 2 | Thursday, October 15: Istanbul

Arrive at Istanbul Airport, claim your baggage and exit the customs area into the arrivals hall, where you will meet your tour guide and/or driver. You will be transferred to your hotel in Istanbul. There will be a welcome briefing followed by dinner and a restful overnight.

#### Day 3 | Friday, October 16: Istanbul

Following breakfast, we will begin our full day guided tour exploring the ancient city, including the magnificent Topkapi Palace (the main residence of the Ottoman Sultans) and the Byzantine Hippodrome, the scene of chariot races. We will visit St. Sophia Basilica, the historic seat of the Byzantine Church. Built in 360 A.D., this church is now a museum, whose mosaics, stained glass windows, and decorated domes have been crafted to create breathtaking beauty. Enjoy a short walk through the gardens and proceed to the Blue Mosque of Sultan Ahmet the First, built in 1616, famous for its unparalleled ceramic tile work. Return to the hotel for dinner and overnight.

#### Day 4 | Saturday, October 17: Istanbul

Following breakfast, we will visit the Galata Tower and Bridge. Many Catholic churches are located in the Galata District. We will visit the Basilica of St. Anthony of Padua, the most prestigious Catholic church in Istanbul. It was originally built on this site in 1725 but was demolished in the early 20th century to make way for a tramway. The church was rebuilt by the architect, Giulio Mongeri, and completed in 1912. After Mass, you will have time for lunch and then visit the Church of Our Lady of Lourdes. This is an historic parish of the Georgian Greek Catholic Church in the Istanbul district of Bomonti. We will also stop at SS Peter and Paul Catholic Church, important for historical reasons. The church owns an icon of the Virgin of the Hodegetria type, which originally came from a Dominican church in Caffar, Crimea. We will end our day with a visit to the Grand Covered Bazaar, a maze of streets and shops featuring the aroma of the stalls and the sounds of old Turkey. Dinner and overnight in Istanbul.

#### Day 5 | Sunday, October 18: Istanbul - Cappadocia

This morning we will take a short flight to Kayseri and visit the “moon-like” topography and unique landscape of Cappadocia. We will visit the underground city of Kaymakli, where thousands of early Christians lived concealed from persecutors in eight-story complexes of subterranean dwellings. We will enjoy picturesque views of this ancient and historic land as we make our way to our hotel. We will enjoy dinner and a restful overnight in Nevsehir.

#### Day 6 | Monday, October 19: Cappadocia - Konya

Early in the morning you may experience an optional hot-air balloon ride. Cappadocia is one of Turkey's most fanciful and recognizable landscapes. During the balloon ride, take in a unique panorama with fairy-tale chimneys in the light of dawn. Following breakfast we will visit the famous Goreme “open-air museum.” Goreme features chapels carved by early Christians and decorated with frescoes dating from the sixth and tenth centuries. After this unforgettable experience, you will continue on a short drive to Uchisar Castle, the most panoramic point in Cappadocia. This afternoon we will drive to Konya. Paul and Barnabas visited the city on Paul's first missionary journey (Acts 13:51-14:7). Here they preached in the synagogue and then in the city. Paul revisited the city on his second missionary journey (Acts 16:2) and probably his third journey as well. In the center of the modern city of Konya, directly on the hill on which the ancient city of Iconium stood, is the Church of St. Paul, built in 1910 by the Sultan for the numerous Catholic workers on the Anatolian Railway. Dinner and overnight in Konya.

### Day 7 | Tuesday, October 20: Konya – Pisidian Antioch - Pamukkale

After breakfast we drive to Pisidian Antioch. The history of Pisidian Antioch goes back to some time between 310-280 BCE. The first Biblical reference to this city is Paul's mention of it in Acts 13:14-16. In this city's synagogue, he preached his first recorded sermon during his first missionary journey. We continue to Pamukkale, the white cotton castle formed by lime cascades. Enjoy a leisurely bath in the warm mineral waters of your hotel's thermal pools before dinner and a restful night's sleep.

### Day 8 | Wednesday, October 21: Pamukkale – Hierapoli -Laodicea – Collosae - Pamukkale

Today we will enjoy a full day excursion and visit the ancient city of Hierapolis, meaning "sacred city," Philip the Evangelist's home. Tour the extensive necropolis, churches, and baths. We continue with a scenic drive to Laodicea, located in the Lycus River Valley of Western Asia Minor, a primary trade route between the cultures of the West and the East. This was described as a "lukewarm" church with a faith that was neither hot nor cold (Rev. 3:14-22). Continue to nearby Colossae, which is well known throughout Christian circles as the receiver of the letter of Paul's Letter to the Colossians. The town has fallen into obscurity and nothing remains. Return to Pamukkale for dinner and overnight.

### Day 9 | Thursday, October 22: Pamukkale – Ephesus - Izmir

After breakfast at the hotel, we will depart for Ephesus, which was the most influential capital city of Asia Minor and the Aegean Sea. "Ephesus receives praise for its perseverance" (Rev. 2:1-7). You will explore some of the best-preserved theaters, fountains, and buildings in the world. We then visit the House of the Virgin Mary, which was miraculously discovered hidden on a wooded hilltop. This is a pilgrimage site which has been accepted by the Vatican. Finally, visit the Basilica of St. John, which stands over the believed burial site of St. John, who is identified as the apostle, evangelist (author of the fourth gospel), and prophet (author of the Book of Revelation). Continue to Izmir, where our day ends with dinner and overnight.

### Day 10 | Friday, October 23: Izmir – Philadelphia – Sardis – Thyatira - Izmir

Our day starts with a visit to the site of Philadelphia, one of the Seven Churches of Revelation (Rev. 3:7-13). Christ told those who overcame that He would write upon them "the name of my God, and the name of the city of my God, which is the New Jerusalem" (Rev. 3:12). Continue on to Sardis, another of the Seven Churches of Revelation. Jesus told Sardis, "I know thy works, that thou hast a name, that thou livest and art dead" (Rev. 3:1-6). The church of Sardis was described as dead and it was called to wake up. Sardis is located on the banks of the Pactolus River in Western Asia Minor. We continue to Thyatira, known for its textiles and dyeing trade. It is now known as the Turkish city of Akhisar. It is "praised for its increasing faith and service" (Rev. 2:18-29). Return to Izmir for dinner and overnight.

### Day 11 | Saturday, October 24: Izmir – Smyrna – Pergamum - Izmir

We wake up in the modern Turkish city of Izmir. It was called "Smyrna" in ancient times, and it was in a powerful trading position on the Aegean Sea, known for its harbors, commerce, and marketplace. Visit the archeological remains of the Agora, an ancient Roman marketplace, located in the heart of the city. It was originally built in the fourth century BCE and later expanded by the Romans. The site features impressive ruins, including colonnaded streets, a large courtyard, and the remains of various public buildings. The Agora served as a central hub for commerce, politics, and social activities in ancient times. Today it stands as a significant historical site and a popular attraction for visitors interested in exploring Izmir's rich history and ancient architecture. Continue to Pergamum, located on the plains and foothills along the Caicus River in western Turkey. The city is "praised for its martyrdom and perseverance but those who hold false teachings are criticized" (Rev. 2:12-17). Here you will see the Acropolis, famous for Greek and Roman temples, as well as the unique Greek theater built into the steep hillside. You will also visit the Asclepion, an ancient medical center for the Greeks. Return to Izmir for dinner and overnight.
